How to Apply for a Digital Nomad Visa

Official Step-by-Step Application Guide

37 Steps | 5 Sections | Estimated Time: 11 Minutes

Overview

This guide provides complete instructions for submitting a Digital Nomad Visa application through the official online portal. Follow each step in sequence. Do not skip steps or submit incomplete information, as this will result in rejection or delays.

This guide covers five stages:

Stage	Section	Steps Covered
1	Create Your Account	Steps 1 – 8
2	Start the Application	Steps 9 – 11
3	Fill in Personal Details	Steps 12 – 23
4	Upload Required Documents	Steps 24 – 28
5	Submit and Track Status	Steps 29 – 37

Documents Required Before You Begin

Gather all of the following documents before starting your application. Incomplete document sets will prevent submission.

#	Document	Requirement
1	Valid Passport	Must have at least 6 months validity remaining from the date of application. Ensure the passport number is clearly visible.
2	Proof of Remote Employment	Employment letter, remote work contract, or client agreement confirming you work remotely for an employer or clients outside the country.

3	Proof of Income	Bank statements or payslips covering the most recent 3 months, demonstrating sufficient income to support your stay.
4	Travel / Health Insurance	A valid insurance policy covering the full intended stay period. The document must show policy dates and coverage territory.
5	Proof of Accommodation	Hotel booking confirmation, signed rental agreement, or a host letter confirming where you will be residing in the destination country.

Section 1: Create Your Account

Complete the following steps to register a new user account on the visa application portal. If you already have an account, proceed directly to Section 2.

Step	Action	Description
1	Open the portal	Open your web browser and navigate to the official visa portal login page provided by the issuing authority.

Step	Action	Description
		
2	Click Register	On the login page, click the Register button to create a new account. Do not attempt to log in before registering.

NOTE: If you already have an existing account, skip Steps 2 to 8 and log in directly.

Step	Action	Description
3	Enter first name	Click the First Name field (displayed as "John" in the example) and type your first name exactly as it appears on your passport.

 Click the "John" field.

Step	Action	Description
4	Click phone field	Click the phone number field. The field shows a country code prefix (e.g. +94). Ensure the correct country code is selected.
